OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c. for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great-Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an

ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

Act No. XVII. of 1843.

An Act for the Appointment of Official Trustees in certain cases.

Whereas the property of Infants, Feme-Coverts and others vested in Trustees, is exposed to pecu-

liar risks and burthens in the Territories, subject to the Government of the East India Company, not only from the Insolvency of Trustees, but from the frequent difficulties occasioned by their death, or absence, or refusal, or incapacity to act :

I. It is hereby enacted, that in all cases in which any property is subject to any Trust, and there shall be no Trustee willing to act, or capable of acting within the jurisdiction of Her Majesty's Courts in the said Territories, it shall be lawful for the Supreme Court of each of the Presidencies in the said Territories, on petition to appoint the Registrar, or such other Officer of the Court, as the Court may from time to time select as the Official Trustee, under the provisions of this Act to be a Trustee of such Property, and that upon such appointment such Property shall vest in such Officer and his successors in office, and shall be held by them upon the same Trusts as the same was held previous to such appointment.

II. And it is hereby further enacted, that such Officer shall cause such Property to be invested in Government Securities or otherwise, as the Court shall direct, and that he shall be entitled to a Commission of one per cent. upon the amount thereof.

III. And it is hereby further enacted, that it shall be lawful for the Court to make any orders respecting such Property so vested in such Official Trustee or the Interest or Produce thereof, and that all such orders shall be made on petition unless the Court shall direct a Bill to be filed.

IV. And it is hereby provided, that nothing in this Act contained shall prevent the Re-transfer of the said Property to the Original or any subsequently appointed Trustees, or otherwise, as the Court shall direct.

V. And it is hereby further enacted, that where any Infant or Lunatic shall be entitled to any Gift, or Legacy, or Residue, or Share thereof, it shall be lawful for the Executor or Administrator, by whom such Legacy or Residue may be payable or transferrable, or the party by whom such Gift shall be made, or any Trustee thereof to pay or transfer the same to the Official Trustee appointed under this Act, and that the receipt of such Official Trustee shall be a discharge for the same, and that the same shall be subject to the like Provisions as are contained in this Act, as to other Property vested in such Official Trustee under the Provisions thereof.

VI. And it is hereby further enacted, that the Provisions of this Act, except as to the Commission to be allowed under the same, shall extend to any Property of Infants or Lunatics in the hands of the Ecclesiastical Registrar of each of the said Courts as Official Administrator.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to Franco as well as those to other foreign countries with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Act No. XVII. of 1843.

An Act for the Appointment of Official Trustees in certain cases.

Whereas the property of Infants, Feme-Coverts and others vested in Trustees, is exposed to peculiar risks and perils in the Territories, subject to the Government of the East India Company.

not only from the Insolvency of Trustees, but from the frequent difficulties occasioned by their death, or absence, or refusal, or incapacity to act :

I. It is hereby enacted, that in all cases in which any property is subject to any Trust, and there shall be no Trustee willing to act, or capable of acting within the jurisdiction of Her Majesty's Courts in the said Territories, it shall be lawful for the Supreme Court of each of the Presidencies in the said Territories, on petition to appoint the Registrar, or such other Officer of the Court, as the Court may from time to time select as the Official Trustee, under the provisions of this Act to be a Trustee of such Property, and that upon such appointment such Property shall vest in such Officer and his successors in office, and shall be held by them upon the same Trusts as the same was held previous to such appointment.

III. And it is hereby further enacted, that it shall be lawful for the Court to make any orders respecting such Property so vested in such Official Trustee or the Interest or Produce thereof, and that all such orders shall be made on petition unless the Court shall direct a Bill to be filed.

V. And it is hereby further enacted, that where any Infant or Lunatic shall be entitled to any Gift, or Legacy, or Residue, or Share thereof, it shall be lawful for the Executor or Administrator, by whom such Legacy or Residue may be payable or transferrable, or the party by whom such Gift shall be made, or any Trustee thereof to pay or transfer the same to the Official Trustee appointed under this Act, and that the receipt of such Official Trustee shall be a discharge for the same, and that the same shall be subject to the like Provisions as are contained in this Act, as to other Property vested in such Official Trustee under the Provisions thereof.

HOME DEPARTMENT,
LEGISLATIVE,
THE 26TH AUGUST, 1843.

Resolution.—The following Act is brought up before the Legislative Council this day,—the Governor General of India in Council being desirous that no time should be lost in passing the Act—Resolved, that the date requiring a previous publication of three months before the passing of any Act of the Government of India be suspended in respect to the following proposed Act, and that it

be re-considered at our first Legislative Meeting after the 8th proximo.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 26TH AUGUST, 1843.

The following Draft of a proposed Act was read in Council, for the first time, on the 26th August, 1843.

Act No. — of 1843.

An Act for the better custody of persons, convicted of Thuggee and Dacoity.

Whereas it often happens that the offences of Thuggee and Dacoity are committed by gangs, as well within the Territories subject to the Government of the East India Company, as in those of Native Princes or States in alliance with the said Company, and it may be necessary for the safety of persons and property within the Territories subject to the Government of the East India Company, that persons convicted of the like offences within the Territories of such Princes or States, should be kept in secure custody, which cannot always be done within the last mentioned Territories :

It is hereby enacted, that it shall be lawful for the local Government of any part of the Territories, subject to the Government of the East India Company, to authorize the reception and detention in any part of those Territories, for the periods specified in their respective sentences of persons sentenced to imprisonment or transportation for the offences of Thuggee, Dacoity, or the offences of belonging to any gang of Thugs or Dacoits, within the Territories of any Native Prince or State, in alliance with the said Company. Provided always that such sentences shall have been pronounced after trial before a Tribunal, in which a Covenanted Servant of the East India Company, duly authorized in that behalf by such Prince or State, shall be one of the presiding Judges. And it is hereby enacted, that every Servant of the East India Company, so authorized as aforesaid, shall forward with every Prisoner a certificate of his conviction, and a copy of the proceedings held at the trial, that the same may be forthcoming

for reference at the place where the sentence of imprisonment may be carried into effect.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 8th day of September next.

T. R. DAVIDSON,
Offg. Secy. to the Govt. of India.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

THE 2D SEPTEMBER, 1843.

The following Draft of a proposed Act was read in Council for the first time on the 2d September 1843.

ACT No. — OF 1843.

An Act to amend the Law respecting the period of the Execution of Persons convicted of the crime of Murder.

Whereas by an Act passed in the ninth year of the reign of his late Majesty King George the Fourth, intituled an Act for improving the Administration of Criminal Justice in the East Indies, it was amongst other things enacted that every person convicted of Murder should be executed according to Law on the day next but one after that on which the sentence should be passed unless the same should happen to be Sunday and in that case on the Monday following, and that sentence should be pronounced immediately after the conviction of every Murderer unless the Court should see reasonable cause for postponing the same, and such sentence should express not only the usual judgment of death but also the time thereby appointed for the execution thereof: and it was by the said Act provided that after such sentence should have been pronounced it should be lawful for the Court or Judge to stay the execution thereof if such Court or Judge should so think fit: and whereas for the ends of justice, and especially more effectually to preserve from an irrevocable punishment, any persons who may, hereafter be convicted upon erroneous or perjured evidence it is expedient to alter and amend the said recited Act in these respects:

I. It is therefore hereby enacted, that from and after the passing of this Act so much of the said Act as is hereinbefore recited shall cease to have effect within the Territories subject to the Government of the East India Company.

II. And it is hereby further enacted, that from and after the passing of this Act, sentence of death may be pronounced after convictions for Murder by any Judge of any of Her Majesty's Courts of Justice within the Territories subject to the Government of the East India Company in the same manner, and the Judge shall have the same power in all respects as after convictions for other capital offences.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 2d day of November next.

T. R. DAVIDSON,
Offg. Secy. to the Govt. of India.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

THE 2D SEPTEMBER, 1843.

The following Draft of a proposed Act was read in Council for the first time on the 2d September, 1843.

ACT No. — OF 1843.

An Act for the better prevention of the Crime of Dacoity.

Whereas it has been considered necessary to adopt more stringent measures for the conviction of professional Dacoits, who belong to certain Tribes, systematically employed in carrying on their lawless pursuits in different parts of the country, and for this purpose to extend the Provisions of Acts XXX. of 1836, XVIII. of 1837, and XVIII. of 1839, for the prevention of Thuggee, to persons concerned in the perpetration of Dacoity:

I. It is hereby enacted, that whosoever shall be proved to have belonged either before or after the passing of this Act to any gang of Dacoits, either within or without the Territories of the East India Company, shall be punished with transportation for life, or with imprisonment for any less term with hard labor.

II. And it is hereby enacted, that any person accused of the offence of Dacoity with or without murder, or of having belonged to a gang of Dacoits, or of the offence of unlawfully or knowingly receiving or buying property stolen or plundered by Dacoity, may be committed by any Magistrate within the Territories of the East India Company, and may be tried by any Court which would have been competent to try him if his offence had been committed within the Zillah where that Court sits.

III. And it is hereby enacted, that no Court shall, on trial of the offences specified in this Act, require any Futwa from any Law Officer.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 2d day of November next.

**FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 2D SEPTEMBER, 1843.**

The following Draft of a proposed Act was read in Council for the first time on the 2d September 1843.

ACT No. — OF 1843.

An Act to amend the Law respecting the period of the Execution of Persons convicted of the crime of Murder.

Whereas by an Act passed in the ninth year of the reign of his late Majesty King George the Fourth, intituled an Act for improving the Administration of Criminal Justice in the East Indies, it was amongst other things enacted that every person convicted of Murder should be executed according to Law on the day next but one after that on which the sentence should be passed unless the same should happen to be Sunday and in that case on the Monday following, and that sentence should be pronounced immediately after the conviction of every Murderer unless the Court should see reasonable cause for postponing the same, and such sentence should express not only the usual judgment of death, but also the

time thereby appointed for the execution thereof: and it was by the said Act provided that after such sentence should have been pronounced it should be lawful for the Court or Judge to stay the execution thereof if such Court or Judge should so think fit: and whereas for the ends of justice, and especially more effectually to preserve from an irrevocable punishment, any persons who may hereafter be convicted upon erroneous or perjured evidence it is expedient to alter and amend the said recited Act in the respects:

I. It is therefore hereby enacted, that from and after the passing of this Act so much of the said Act as is hereinbefore recited shall cease to have effect within the Territories subject to the Government of the East India Company.

II. And it is hereby further enacted, that from and after the passing of this Act, sentence of death may be pronounced after convictions for Murder by any Judge of any of Her Majesty's Courts of Justice within the Territories subject to the Government of the East India Company in the same manner, and the Judge shall have the same power in all respects as after convictions for other capital offences.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 2d day of November next.

T. R. DAVIDSON,

The following Draft of a proposed Act was read in Council for the first time on the 2d September, 1843.

ACT No. — OF 1843.

An Act for the better prevention of the Crime of Dacoity.

Whereas it has been considered necessary to adopt more stringent measures for the conviction of professional Dacoits, who belong to certain

Tribes, systematically employed in carrying on their lawless pursuits in different parts of the country, and for this purpose to extend the Provisions of Acts XXX. of 1836, XVIII. of 1837, and XVIII. of 1839, for the prevention of Thuggee, to persons concerned in the perpetration of Dacoity:

I. It is hereby enacted, that whosoever shall be proved to have belonged either before or after the passing of this Act to any gang of Dacoits, either within or without the Territories of the East India Company, shall be punished with transportation for life, or with imprisonment for any less term with hard labor.

II. And it is hereby enacted, that any person accused of the offence of Dacoity with or without murder, or of having belonged to a gang of Dacoits, or of the offence of unlawfully or knowingly receiving or buying property stolen or plundered by Dacoity, may be committed by any Magistrate within the Territories of the East India Company, and may be tried by any Court which would have been competent to try him if his offence had been committed within the Zillah where that Court sits.

III. And it is hereby enacted, that no Court shall, on trial of the offences specified in this Act, require any Futwa from any Law Officer.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 2d day of November next.

THE 9TH SEPTEMBER, 1843.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 9th September 1843, is hereby promulgated for general information.

Act No. XXIII. of 1843.

An Act for the better custody of persons, convicted of Thuggee and Dacoity.

Whereas it often happens that the offences of Thuggee and Dacoity are committed by gangs, as well within the Territories subject to the Government of the East India Company, as in those of Native Princes or States in alliance with the said Company, and it may be necessary for the safety of persons and property within the Territories subject to the Government of the East India Company, that persons convicted of the like offences within the Territories of such Princes or States, should be kept in secure custody, which cannot always be done within the last mentioned Territories:

It is hereby enacted, that it shall be lawful for the local Government of any part of the Territories subject to the Government of the East India Company, to authorize the reception and detention in any part of those Territories, for the periods specified in their respective sentences, of persons sentenced to imprisonment or transportation for the offences of Thuggee, Dacoity, or the offences of belonging to any gang of Thugs or Dacoits, within the Territories of any Native Prince

or State in alliance with the said Company. Provided always that such sentences shall have been pronounced after trial before a Tribunal, in which a Covenanted Servant of the East India Company, duly authorized in that behalf by such Prince or State, shall be one of the presiding Judges. And it is hereby enacted, that every Servant of the East India Company so authorized as aforesaid, shall forward with every Prisoner a certificate of his conviction, and a copy of the proceedings held at the trial, that the same may be forthcoming for reference at the place where the sentence of imprisonment may be carried into effect.

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 2D SEPTEMBER, 1843.

The following Draft of a proposed Act was read in Council for the first time on the 2d September 1843.

Act No. — of 1843.

An Act to amend the Law respecting the period of the Execution of Persons convicted of the crime of Murder.

Whereas by an Act passed in the ninth year of the reign of his late Majesty King George the

Fourth, intituled an Act for improving the Administration of Criminal Justice in the East Indies, it was amongst other things enacted that every person convicted of Murder should be executed according to Law on the day next but one after that on which the sentence should be passed unless the same should happen to be Sunday and in that case on the Monday following, and that sentence should be pronounced immediately after the conviction of every Murderer unless the Court should see reasonable cause for postponing the same, and such sentence should express not only the usual judgment of death but also the time thereby appointed for the execution thereof: and it was by the said Act provided that after such sentence should have been pronounced it should be lawful for the Court or Judge to stay the execution thereof if such Court or Judge should so think fit: and whereas for the ends of justice, and especially more effectually to preserve from an irrevocable punishment, any persons who may hereafter be convicted upon erroneous or perjured evidence it is expedient to alter and amend the said recited Act in these respects:

I. It is therefore hereby enacted, that from and after the passing of this Act so much of the said Act as is hereinbefore recited shall cease to have effect within the Territories subject to the Government of the East India Company.

II. And it is hereby further enacted, that from and after the passing of this Act, sentence of death may be pronounced after convictions for Murder by any Judge of any of Her Majesty's Courts of Justice within the Territories subject to the Government of the East India Company in the same manner, and the Judge shall have the same power in all respects as after convictions for other capital offences.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 2d day of November next.

T. R. DAVIDSON,
Offg. Secy. to the Govt. of India.

ACT No. —. of 1843.

An Act for the better prevention of the Crime of Dacoity.

Whereas it has been considered necessary to adopt more stringent measures for the conviction of professional Dacoits, who belong to certain Tribes, systematically employed in carrying on their lawless pursuits in different parts of the country, and for this purpose to extend the Provisions of Acts XXX. of 1836, XVIII. of 1837, and XVIII. of 1839, for the prevention of Thuggee, to persons concerned in the perpetration of Dacoity:

I. It is hereby enacted, that whosoever shall be proved to have belonged either before or after the passing of this Act to any gang of Dacoits, either within or without the Territories of the East India Company, shall be punished with transportation for life, or with imprisonment for any less term with hard labor.

II. And it is hereby enacted, that any person accused of the offence of Dacoity with or without murder, or of having belonged to a gang of Dacoits, or of the offence of unlawfully or knowingly receiving or buying property stolen or plundered by Dacoity, may be committed by any Magistrate within the Territories of the East India Company, and may be tried by any Court which would have been competent to try him if his offence had been committed within the Zillah where that Court sits.

III. And it is hereby enacted, that no Court shall, on trial of the offences specified in this Act, require any Futwa from any Law Officer.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 2d day of November next.

It is hereby enacted, that it shall be lawful for the local Government of any part of the Territories subject to the Government of the East India Company, to authorize the reception and detention in any part of those Territories, for the periods specified in their respective sentences, of persons sentenced to imprisonment or transportation for the offences of Thuggee, Dacoity, or the offences of belonging to any gang of Thugs or Dacoits, within the Territories of any Native Prince or State in alliance with the said Company. Provided always that such sentences shall have been pronounced after trial before a Tribunal, in which a Covenanted Servant of the East India Company, duly authorized in that behalf by such Prince or State, shall be one of the presiding Judges. And it is hereby enacted, that every Servant of the East India Company so authorized as aforesaid, shall forward with every Prisoner a certificate of his conviction, and a copy of the proceedings held at the trial, that the same may be forthcoming for reference at the place where the sentence of imprisonment may be carried into effect.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked via "Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c. for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

An Act for securing certain immunities and privileges to His Highness the Nabob of the Carnatic, His Family and Retinue.

Whereas questions have lately been raised as to the liability of persons of the Family Household and Retinue of His Highness the Nabob of the Carnatic to the process and jurisdiction of Courts

of Justice, and it is deemed expedient that provision should be made for protecting by legislative enactment, under the qualifications hereinafter mentioned, certain individuals of the Family Household and Retinue of his said Highness from any such liability, and from claims and litigation to establish any such liability:

I. It is hereby enacted, that it shall be lawful for the Governor in Council of Fort Saint George to publish, from time to time, in the Gazette at Madras, lists containing the names of persons belonging to the Family Household or Retinue of His Highness the Nabob of the Carnatic, or of the Nabob Regent for the time being, who are to be entitled under this Act to privilege from Civil and Criminal process, and also from time to time to revise and alter such lists and publish in the Gazette as aforesaid new lists of the persons entitled for the time being to such privilege, and the list which shall have been last so published shall be the list which for the time being shall be in force and effect for the purpose of this Act.

II. And it is hereby enacted, that no Writ or Process shall at any time be sued forth or prosecuted against the person, goods or property of His Highness the Nabob of the Carnatic, or of the Nabob Regent for the time being, or of any person whose name shall be included in any list so published in the Gazette as aforesaid, and which for the time being shall be in force and effect for the purpose of this Act, unless such Writ or Process shall be so sued forth or prosecuted with the consent of the Governor in Council of Fort St. George first had and obtained, such consent to be testified by the signature of the Secretary, or one of the Secretaries of Government, and that any Writ or Process which shall at any time be sued forth or prosecuted against the person or goods or property of His said Highness, or of the Nabob Regent, or of any such person as aforesaid, without such consent as aforesaid, so testified as aforesaid, shall be utterly null and void.

III. And it is hereby enacted and directed, that the said Governor in Council of Fort St. George shall from time to time cause to be furnished to the Governor General of India in Council copies of any and every list which shall be so published as aforesaid, and shall conform to and follow any directions which he may from time to time receive from the Governor General of India in Council respecting the persons to be included in any such list from time to time, and otherwise with respect to the matters which are the subject of this Act. And also that the said Governor in Council of Fort St. George shall from time to time cause every list, which shall be published in the Gazette as aforesaid, to be also otherwise pub-

lished in such manner as shall be deemed proper and sufficient for the purpose of making the same generally known.

IV. And it is hereby enacted and provided, that this Act shall not be construed or be held to be in any way declaratory or explanatory of the meaning or effect of any Treaty made or entered into with His Highness the Nabob of the Carnatic, and shall not be construed either to enlarge or restrict the operation of any such Treaty, and that independently of this Act His Highness the Nabob of the Carnatic and the Nabob Regent for the time being and their respective families, dependants, and retinue shall be entitled to claim, maintain and enjoy any privilege which by virtue of any such Treaty or otherwise they may be rightfully entitled to.
